Our Company

We are Eagle Bulk Shipping Inc., a Marshall Islands corporation incorporated on March 23, 2005 and headquartered in Stamford, Connecticut. We own one of the largest fleets of Supramax/Ultramax dry bulk vessels in the world. Supramax dry bulk are vessels which are constructed with on-board cranes, ranging in size from approximately 50,000 to 59,000 “dwt” and Ultramax dry bulk vessels range in size from 60,000 to 65,000 dwt. They are considered a sub-category of the Handymax segment; typically defined as 40,000 to 65,000 dwt. We transport a broad range of major and minor bulk cargoes, including but not limited to coal, grain, ore, petcoke, cement and fertilizer, along worldwide shipping routes. As of March 31, 2017, we owned and operated a modern fleet of 41 Handymax dry bulk vessels. We chartered-in a 37,000 dwt newbuilding Japanese vessel that was delivered in October 2014 for seven years with an option for one additional year. On April 3, 2017, we signed an agreement to cancel this existing time chartered-in contract, and, at the same time, we entered into an agreement to charter in a 61,400 dwt, 2013 built Japanese vessel for approximately four years (having the same redelivery dates as the aforementioned cancelled charter) with options for two additional years.

We are focused on maintaining a high quality fleet that is concentrated primarily in Supramax/Ultramax dry bulk carriers. These vessels have the cargo loading and unloading flexibility of on-board cranes while offering cargo carrying capacities approaching that of Panamax dry bulk vessels, which range in size from 72,000 to 83,000 dwt and rely on port facilities to load and offload their cargoes. We believe that the cargo handling flexibility and cargo carrying capacity of the Supramax/Ultramax class vessels make them attractive to cargo interests and vessel charterers. The Company’s owned operating fleet consisted of 41 dry bulk vessels, with an aggregate carrying capacity of 2,269,062 dwt, have an average age of 8.9 years as of March 31, 2017.

We carry out the commercial and strategic management of our fleet through our indirectly wholly-owned subsidiary, Eagle Shipping International (USA) LLC, a Marshall Islands limited liability company, which maintains its principal executive offices in Stamford, Connecticut. We own each of our vessels through a separate wholly-owned Marshall Islands limited liability company.

On February 28, 2017, Eagle Bulk Ultraco LLC, a wholly-owned subsidiary of the Company, entered into a framework agreement with Greenship Bulk Manager Pte. Ltd., as Trustee-Manager of Greenship Bulk Trust, a Norwegian OTC-listed entity, for the purchase of nine modern sister vessels built between 2012 and 2015, or collectively, the Newly Acquired Vessels. The aggregate purchase price for the Newly Acquired Vessels is \$153.0 million. The allocated purchase price for each Newly Acquired Vessel is \$17.0 million. The Company paid a deposit of \$10.3 million in the first quarter of 2017 for the purchase of the first six Newly Acquired Vessels. The Company took delivery of two Newly Acquired Vessels, Mystic Eagle and Singapore Eagle, and the remaining Newly Acquired Vessels are expected to be delivered charter free between May 2017 to September 2017.

We maintain our principal executive offices at 300 First Stamford Place, 5th Floor, Stamford, Connecticut 06902. Our telephone number at that address is (203) 276-8100. Our website address is www.eagleships.com. Information contained on our website does not constitute part of this prospectus.

Listing	Our shares of common stock are listed on the Nasdaq Global Select Market, or NASDAQ, under the symbol “EGLE.”
Risk Factors	You should consider carefully all of the information that is contained or incorporated by reference in this prospectus and, in particular, you should evaluate the risks described under “Risk Factors.”

A prospectus supplement will describe the specific types, amounts, prices, and detailed terms of any of these securities that we or the selling shareholders, as applicable, may offer and may describe certain risks associated with an investment in the securities. Terms used in any such prospectus supplement will have the meanings described in this prospectus, unless otherwise specified.

RISK FACTORS

An investment in our securities involves risks. You should consider carefully the risk factors and other information included in, or incorporated by reference into, this prospectus and any applicable prospectus supplement in evaluating an investment in our securities. We hereby incorporate by reference into this prospectus the risk factors included in Item 1A. “Risk Factors” in our Annual Report on Form 10-K filed with the Commission on March 31, 2017, or the 2016 10-K, and all other risk factors contained in any other documents that are incorporated by reference into this prospectus or any prospectus supplement. This prospectus also contains forward-looking statements that involve risks and uncertainties. If any of these risks occur, our business, financial condition or results of operation could be adversely affected. Please read “Forward-Looking Statements.” Our actual results could differ materially from those anticipated in the forward-looking statements as a result of certain factors.

The warrants are a risky investment, and may expire as worthless.

The Existing Warrants are exercisable only until the seventh (7th) anniversary of the date of issuance, or October 15, 2021. In the event our common stock price is not greater than the exercise price of the Existing Warrants during the period when the Warrants are exercisable, you will likely not be able to recover the value of your investment in the Existing Warrants. In addition, if our common stock price remains below the exercise price of the Existing Warrants, the Existing Warrants may not have any value and may expire without being exercised, in which case you would lose your entire investment. There can be no assurance that the market price of our common stock will exceed the exercise price during the exercise period of the Existing Warrants.

There is no established trading market for the Existing Warrants and, as a result, you may not be able to sell them at the particular time you select, at the price that you originally paid or at all.

There is no established trading market for the Existing Warrants. Moreover, we do not intend to apply to have the Existing Warrants listed on any securities exchange or included in any automated quotation system. As a result, we cannot assure you that you will be able to sell any Existing Warrants at the particular time you select, at the price that you originally paid or at all. We also cannot assure you as to the liquidity of any market that may develop for the Existing Warrants. Future trading prices and the liquidity of any market for the Existing Warrants, to the extent such a market ever develops, will depend on many factors, including:

- our financial condition and results of operations;
- the interest of securities dealers in making a market for the Existing Warrants; and
- the market for similar securities.

Holders of the Existing Warrants will have no rights as shareholders until they acquire our common stock.

Until you acquire shares of our common stock upon exercise of your Existing Warrants, you will have no rights with respect to our common stock, including rights to dividend payments or payments upon the liquidation, dissolution or winding up of the Company, voting rights or the right to respond to tender offers. Upon exercise of your Existing Warrants, you will be entitled to exercise the rights of a common shareholder only as to matters for which the record date occurs after the exercise date.

FORWARD-LOOKING STATEMENTS

This prospectus contains forward-looking statements within the meaning of Section 27A of the Securities Act, Section 21E of the Securities Exchange Act of 1934, as amended, or the Exchange Act, and the Private Securities Litigation Reform Act of 1995, and are intended to be covered by the safe harbor provided for under these sections. These statements may include words such as “believe,” “estimate,” “project,” “intend,” “expect,” “plan,” “anticipate,” and similar expressions in connection with any discussion of the timing or nature of future operating or financial performance or other events. Forward-looking statements reflect management’s current expectations and observations with respect to future events and financial performance.

Where we express an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, our forward-looking statements are subject to risks, uncertainties, and other factors, which could cause actual results to differ materially from future results expressed, projected, or implied by those forward-looking statements. The principal factors that affect our financial position, results of operations and cash flows include, charter market rates, which have declined significantly from historic highs, periods of charter hire, vessel operating expenses and voyage costs, which are incurred primarily in U.S. dollars, depreciation expenses, which are a function of the cost of our vessels, significant vessel improvement costs and our vessels' estimated useful lives, and financing costs related to our indebtedness. Our actual results may differ materially from those anticipated in these forward-looking statements as a result of certain factors which could include the following: (i) changes in demand in the dry bulk market, including, without limitation, changes in production of, or demand for, commodities and bulk cargoes, generally or in particular regions; (ii) greater than anticipated levels of dry bulk vessel new building orders or lower than anticipated rates of dry bulk vessel scrapping; (iii) changes in rules and regulations applicable to the dry bulk industry, including, without limitation, legislation adopted by international bodies or organizations such as the International Maritime Organization and the European Union or by individual countries; (iv) actions taken by regulatory authorities including without limitation the U.S. Treasury Department's Office of Foreign Assets Control; (v) changes in trading patterns significantly impacting overall dry bulk tonnage requirements; (vi) changes in the typical seasonal variations in dry bulk charter rates; (vii) changes in the cost of other modes of bulk commodity transportation; (viii) changes in general domestic and international political conditions; (ix) changes in the condition of the Company's vessels or applicable maintenance or regulatory standards (which may affect, among other things, our anticipated dry docking costs); (x) significant deteriorations in charter hire rates from current levels or the inability of the Company to achieve its cost-cutting measures; and (xi) the outcome of legal proceeding in which we are involved; and other factors listed from time to time in our filings with the Commission. This discussion also includes statistical data regarding world dry bulk fleet and orderbook and fleet age. We generated some of this data internally, and some were obtained from independent industry publications and reports that we believe to be reliable sources. We have not independently verified this data nor sought the consent of any organizations to refer to their reports in this prospectus. We disclaim any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

We caution readers of this prospectus and any prospectus supplement not to place undue reliance on these forward-looking statements, which speak only as of their dates. We undertake no obligation to update or revise any forward-looking statements.

USE OF PROCEEDS

Unless we specify otherwise in any prospectus supplement, we intend to use the net proceeds from the sale of securities offered by us pursuant to this prospectus to make vessel acquisitions and for capital expenditures, repayment of indebtedness, working capital, and general corporate purposes. We will not receive any of the proceeds from the sale or other disposition of the shares of common stock, Existing Warrants and Warrant Shares offered by the selling shareholders pursuant to this prospectus, although we will receive the proceeds from the exercise of the Existing Warrants. Any amounts we receive from such exercises will be used as described above. The holders of the Existing Warrants are not obligated to exercise the Existing Warrants and we cannot assure you that such holders will choose to exercise all or any of the Existing Warrants.

DESCRIPTION OF CAPITAL STOCK

The following is a description of the material terms of our third amended and restated articles of incorporation, or the Articles of Incorporation, and second amended and restated by-laws, or the By-Laws, as currently in effect. We refer you to our Articles of Incorporation and By-Laws, copies of which have been filed as exhibits to the registration statement of which this prospectus forms a part.

Purpose

Our purpose, as stated in our Articles of Incorporation, is to engage in any lawful act or activity for which a corporation may now or hereafter be organized under the Business Corporations Act of the Marshall Islands, or the BCA. Our Articles of Incorporation and By-Laws do not impose any limitations on the ownership rights of our shareholders.

Authorized Capitalization

Under our Articles of Incorporation, as of May 15, 2017, our authorized capital stock consists of 700 million shares of common stock, par value \$0.01 per share, of which 74,103,956 shares were issued and outstanding, and 25 million shares of preferred stock, par value \$0.01 per share, or the preferred stock, of which no shares of preferred stock were issued and outstanding. All of our shares of stock are in registered form.

Common Stock

Each outstanding share of common stock entitles the holder to one vote on all matters submitted to a vote of shareholders. Subject to preferences that may be applicable to any outstanding shares of preferred stock, if any, holders of shares of common stock are entitled to receive ratably all dividends, if any, declared by our board of directors out of assets or funds legally available for dividends. Upon our liquidation, dissolution or winding up, after payment in full of all amounts required to be paid to creditors and to the holders of preferred stock having liquidation preferences, if any, the holders of our common stock will be entitled to receive pro rata our remaining assets and funds available for distribution. Holders of common stock do not have conversion, redemption or preemptive rights to subscribe to any of our securities. The rights, preferences and privileges of holders of common stock are subject to the rights of the holders of any shares of preferred stock, which we may issue in the future.

Preferred Stock

Our Articles of Incorporation authorize our board of directors to establish one or more series of preferred stock and to determine, with respect to any series of preferred stock, the terms and rights of that series, including:

- the designation of the series;
- the number of shares of the series;
- the designations, preferences and relative, participating, optional or other special rights, if any, and any qualifications, limitations or restrictions of such series; provided that the total shares of preferred stock shall in no event have an aggregate liquidation preference of more than \$300 million; and
- the voting rights, if any, of the holders of the series.

It is not possible to state the actual effect of the authorization and issuance of one or more series of preferred stock upon the rights of holders of common stock until our board of directors determines the specific terms, rights and preferences of a series of preferred stock.

The material terms of any series of preferred stock that we offer through a prospectus supplement, as well as any material United States federal income tax considerations, will be described in that prospectus supplement.

Authorized but Unissued Capital Stock

The BCA does not require shareholder approval for any issuance of authorized shares. However, the listing requirements of NASDAQ, which will apply so long as our common stock is listed on NASDAQ, require shareholder approval of certain issuances equal to or exceeding 20% of the then outstanding voting power or then outstanding number of shares of our common stock.

Directors

Our directors are elected by a majority of the votes cast by shareholders entitled to vote. There is no provision for cumulative voting.

Our board of directors is elected annually, and each director elected holds office for a one-year term and until his successor shall have been duly elected and qualified, except in the event of his death, resignation, removal, or the earlier termination of his term of office. Our board of directors has the authority to fix the amounts which shall be payable to the members of the board of directors for attendance at any meeting or for services rendered to us and for the reimbursement of reasonable and documented expenses.

Shareholder Meetings

Under our By-Laws, annual shareholder meetings will be held at a time and place selected by our board of directors. The meetings may be held in or outside of the Marshall Islands. The Articles of Incorporation and By-Laws provide that, except as otherwise required by law, special meetings of shareholders may be called at any time only by (i) the lead director (if any), (ii) the chairman of the board of directors, (iii) the board of directors pursuant to a resolution duly adopted by a majority of the board stating the purpose or purposes thereof, or (iv) any one or more shareholders who beneficially owns, in the aggregate, 15% or more of the aggregate voting power of all then-outstanding shares of common stock and any other class or series of capital stock of the Company entitled to vote generally in the election of directors. The notice of any such special meeting is to include the purpose or purposes thereof, and the business transacted at the special meeting is limited to the purpose or purposes stated in the notice (or any supplement thereto). These provisions may impede the ability of shareholders to bring matters before a special meeting of shareholders. Our board of directors may set a record date between 15 and 60 days before the date of any meeting to determine the shareholders that will be eligible to receive notice and vote at the meeting.

Dissenters' Rights of Appraisal and Payment

Under the BCA, our shareholders have the right to dissent from various corporate actions, including any merger or consolidation sale of all or substantially all of our assets not made in the usual course of our business, and receive payment of the fair value of their shares. In the event of any further amendment of our Articles of Incorporation, a shareholder also has the right to dissent and receive payment for his or her shares if the amendment alters certain rights in respect of those shares. The dissenting shareholder must follow the procedures set forth in the BCA to receive payment. In the event that we and any dissenting shareholder fail to agree on a price for the shares, the BCA procedures involve, among other things, the institution of proceedings in the high court of the Marshall Islands or in any appropriate court in any jurisdiction in which the Company's shares are primarily traded on a local or national securities exchange.

Shareholders' Derivative Actions

Under the BCA, any of our shareholders may bring an action in our name to procure a judgment in our favor, also known as a derivative action, provided that the shareholder bringing the action is a holder of common stock both at the time the derivative action is commenced and at the time of the transaction to which the action relates.

Limitations on Liability and Indemnification of Officers and Directors

The BCA authorizes corporations to limit or eliminate the personal liability of directors and officers to corporations and their shareholders for monetary damages for breaches of directors' fiduciary duties. Our By-Laws include a provision that eliminates the personal liability of directors for monetary damages for actions taken as a director to the fullest extent permitted by law.

Our By-Laws provide that we must indemnify our directors and officers to the fullest extent authorized by law. We are also expressly authorized to advance certain expenses (including attorneys' fees) to our directors and officers and carry directors' and officers' insurance providing indemnification for our directors, officers and certain employees for some liabilities. We believe that these indemnification provisions and insurance are useful to attract and retain qualified directors and executive offices.

The limitation of liability and indemnification provisions in our Articles of Incorporation and By-Laws may discourage shareholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our shareholders. In addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

There is currently no pending material litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the claim has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Anti-takeover Effect of Certain Provisions of our Articles of Incorporation and By-Laws

Several provisions of our Articles of Incorporation and By-Laws, which are summarized below, may have anti-takeover effects. These provisions are intended to avoid costly takeover battles, lessen our vulnerability to a hostile change of control and enhance the ability of our board of directors to maximize shareholder value in connection with any unsolicited offer to acquire us. However, these anti-takeover provisions could also discourage, delay or prevent (1) the merger or acquisition of our Company by means of a tender offer, a proxy contest or otherwise that a shareholder may consider in its best interest and (2) the removal of incumbent officers and directors.

Blank Check Preferred Stock

Under the terms of our Articles of Incorporation, our board of directors has authority, without any further vote or action by our shareholders, to issue shares of blank check preferred stock; provided that the total shares of blank check preferred stock shall in no event have an aggregate liquidation preference of more than \$300 million. Our board of directors may issue shares of preferred stock on terms calculated to discourage, delay or prevent a change of control of our Company or the removal of our management.

Election and Removal of Directors

Our Articles of Incorporation prohibit cumulative voting in the election of directors. Our By-Laws require parties other than the board of directors to give advance written notice of nominations for the election of directors. Our Articles of Incorporation also provide that our directors may only be removed for cause upon the affirmative vote of a majority of the outstanding shares of our capital stock entitled to vote for the election of directors. Newly created directorships resulting from an increase in the number of directors and vacancies occurring in our board of directors for any reason may only be filled by a vote of a majority of the directors then in office, even if less than a quorum exists (except that a quorum is required if the vacancy results from an increase in the number of directors).

Advance Notice Requirements for Shareholder Proposals and Director Nominations

Our By-Laws provide that shareholders seeking to nominate candidates for election as directors or to bring business before an annual meeting of shareholders must provide timely notice of their proposal in writing to the corporate secretary. To be timely, a shareholder's notice will have to be received at our principal executive offices not less than 60 days nor more than 90 days prior to the anniversary date of the immediately preceding annual meeting of shareholders; provided, however, that in the event that the annual meeting is called for a date that is not within 30 days before or after such anniversary date, notice by the shareholder in order to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever occurs first, in order for such notice by a shareholder to be timely. Our By-Laws also specify requirements as to the form and content of a shareholder's notice. These advance notice requirements, particularly the 60 to 90 day requirement, may impede shareholders' ability to bring matters before an annual meeting of shareholders or make nominations for directors at an annual meeting of shareholders.

Action by Written Consent

Our By-Laws provide that any action required or permitted to be taken by the shareholders may be effected only at a duly called annual or special meeting of the shareholders. Except as otherwise mandated by law, the ability of shareholders to consent in writing to the taking of any action is specifically denied.

Certain Voting Requirements

Our Articles of Incorporation provide that a two-thirds vote is required to amend or repeal certain provisions of our Articles of Incorporation and By-Laws, including those provisions relating to: the number and election of directors; filling of board vacancies; resignations and removals of directors; director liability and indemnification of directors; the power of shareholders to call special meetings; advance notice of director nominations and shareholders proposals; and amendments to our Articles of Incorporation and By-Laws. These supermajority provisions may discourage, delay or prevent the changes to our Articles of Incorporation or By-Laws.

Transfer Agent

The registrar and transfer agent for our common stock is Computershare Trust Company, N.A.

Listing

Our shares are listed on NASDAQ under the symbol “EGLE.”

On August 5, 2016, the Company completed a 1 for 20 reverse stock split, or the Reverse Stock Split, of its issued and outstanding shares of common stock. Therefore, following the Reverse Stock Split, each Existing Warrant is exercisable for one share of common stock at an exercise price of \$556.40 per share. The Warrant Agreement contains customary anti-dilution adjustments in the event of any stock split, reverse stock split, stock dividend, reclassification, dividend or other distributions (including, but not limited to, cash dividends), or business combination transaction.

We may, however, satisfy our obligations, if any, with respect to any purchase contract by delivering the cash value of such purchase contract or the cash value of the property otherwise deliverable or, in the case of purchase contracts on underlying currencies, by delivering the underlying currencies, as set forth in the applicable prospectus supplement. The applicable prospectus supplement will also specify the methods by which the holders may purchase or sell such securities or currencies and any acceleration, cancellation or termination provisions, provisions relating to U.S. federal income tax considerations, if any, or other provisions relating to the settlement of a purchase contract.

Each of the selling shareholders that is an affiliate of a broker-dealer has represented to us that it purchased or acquired the securities offered by this prospectus in the ordinary course of business and, at the time of purchase or acquisition of those securities, did not have any agreements, understandings or other plans, directly or indirectly, with any person to distribute those securities.

PLAN OF DISTRIBUTION

Our securities covered by this prospectus may be sold by any method permitted by law, including, without limitation, one or more of following transactions:

- ordinary brokerage transactions or transactions in which the broker solicits purchasers;
- purchases by a broker or dealer as principal and the subsequent resale by such broker or dealer for its account;
- block trades, in which a broker or dealer attempts to sell the securities as agent but may position and resell a portion of the securities as principal to facilitate the transaction;
- through the writing of options on the securities, whether such options are listed on an options exchange or otherwise;
- an exchange distribution in accordance with the rules of the applicable stock exchange;

- any other method permitted pursuant to applicable law.

We may offer our equity securities described in this prospectus into an existing trading market on the terms described in the prospectus supplement thereto. Underwriters and dealers who may participate in any at-the-market offerings will be described in the prospectus supplement relating thereto.

The selling shareholders may also sell securities under Section 4(a)(1) of the Securities Act, including transactions in accordance with Rule 144 promulgated thereunder, if available, rather than under this prospectus.

The selling shareholders may also transfer their shares by means of gifts, donations and contributions. Subject to certain limitations under rules promulgated under the Securities Act, this prospectus may be used by the recipients of such gifts, donations and contributions to offer and sell the shares received by them, directly or through brokers-dealers or agents and in private or public transactions.

Broker-dealers engaged by us or the selling shareholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from us or the selling shareholders (or, if any broker-dealer acts as agent for the purchaser of securities, from the purchaser), as the case may be, in amounts to be negotiated.

The selling shareholders may, from time to time, pledge or grant a security interest in some or all of the securities owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the securities, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling shareholders to include the pledgee, transferee or other successors in interest as selling shareholders under this prospectus. The selling shareholders also may transfer the securities in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our securities or interests therein, the selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the securities in the course of hedging the positions they assume. The selling shareholders may also sell securities short and deliver these securities to close out their short positions, or loan or pledge the securities to broker-dealers that in turn may sell these securities. The selling shareholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

We and the selling shareholders may sell the securities at market prices prevailing at the time of sale, at negotiated prices, at fixed prices or without consideration by any legally available means. The aggregate net proceeds from the sale of the securities will be the purchase price of such securities less any discounts, concessions or commissions received by broker-dealers or agents. We will not receive any proceeds from the sale of any securities by the selling shareholders.

The selling shareholders and any broker-dealers or agents who participate in the distribution of our securities may be deemed to be “underwriters” within the meaning of the Securities Act. Any commission received by such broker-dealers or agent on the sales and any profit on the resale of securities purchased by broker-dealers or agents may be deemed to be underwriting commissions or discounts under the Securities Act. As a result, we have informed the selling shareholders that Regulation M, promulgated under the Exchange Act, may apply to sales by the selling shareholders in the market. The selling shareholders may agree to indemnify any broker, dealer or agent that participates in transactions involving the sale of our securities against certain liabilities, including liabilities arising under the Securities Act.

To the extent required with respect to a particular offer or sale of our securities, we will file a prospectus supplement pursuant to Section 424(b) of the Securities Act, which will accompany this prospectus, to disclose:

- the number and type of securities to be sold;
- the purchase price;
- the name of each selling shareholder, if any, and the name of any broker-dealer or agent effecting the sale or transfer and the amount of any applicable discounts, commissions or similar selling expenses; and
- any other relevant information.

The selling shareholders are acting independently of us in making decisions with respect to the timing, price, manner and size of each sale of securities held by them. We have not engaged any broker-dealer or agent in connection with the sale of securities held by the selling shareholders, and there is no assurance that the selling shareholders will sell any or all of their securities. We have agreed to make available to the selling shareholders copies of this prospectus and any applicable prospectus supplement and have informed the selling shareholders of the need to deliver copies of this prospectus and any applicable prospectus supplement to purchasers prior to any sale to them.

Under the securities laws of some states, the securities may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the securities may not be sold unless such securities have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

We will pay all expenses of the registration of the securities to be sold by the selling shareholders pursuant to the A&R Registration Rights Agreement, including, without limitation, Commission filing fees and expenses of compliance with state securities or “blue sky” laws; provided, however, a selling shareholder will pay all underwriting discounts and selling commissions, if any. We will indemnify the selling shareholders against liabilities, including some liabilities under the Securities Act in accordance with the A&R Registration Rights Agreement or the selling shareholders will be entitled to contribution. We may be indemnified by the selling shareholders against civil liabilities, including liabilities under the Securities Act that may arise from any written information furnished to us by the selling shareholders specifically for use in this prospectus, in accordance with the A&R Registration Rights Agreement or we may be entitled to contribution.

Once sold under the registration statement, of which this prospectus forms a part, the securities will be freely tradable in the hands of persons other than our affiliates.

ENFORCEABILITY OF CIVIL LIABILITIES

We are incorporated under the laws of the Republic of the Marshall Islands. Certain of our directors, and officers reside outside the United States. In addition, a substantial portion of our assets and the assets of such directors and officers are located outside the United States. As a result, you may have difficulty serving legal process within the United States upon any of these persons. You may also have difficulty enforcing, both in and outside the United States, judgments you may obtain in United States courts against us or these persons in any action, including actions based upon the civil liability provisions of United States federal or state securities laws. Furthermore, there is substantial doubt that the courts of the Marshall Islands would enter judgments in original actions brought in those courts predicated on United States federal or state securities laws.

Item 15. Indemnification of Directors and Officers.

Section 60 of the BCA provides as follows with respect to the indemnification of directors and officers:

(1) *Actions not by or in right of the corporation.* A corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

(2) *Actions by or in right of the corporation.* A corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the corporation to procure judgment in its favor by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

(3) *When director or officer successful.* To the extent that a director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (1) or (2) of this section, or in the defense of a claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.

(4) *Payment of expenses in advance.* Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid in advance of the final disposition of such action, suit or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation as authorized in this section.

(5) *Indemnification pursuant to other rights.* The indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of this section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office.

(6) *Continuation of Indemnification.* The indemnification and advancement of expenses provided by, or granted pursuant to, this section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such person.

(7) *Insurance.* A corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director or officer against any liability asserted against him and incurred by him in such capacity whether or not the corporation would have the power to indemnify him against such liability under the provisions of this section.

The Articles of Incorporation and By-Laws provide for indemnification of directors and officers, to the fullest extent permitted by the BCA, against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred by such director or officer in connection with their official capacity as a director or officer or in any other capacity on behalf of the Company while serving as a director or officer. Such right to indemnification shall continue as to a person who has ceased to be a director or officer of the Company and shall inure to the benefit of his or her heirs, executors and personal and legal representatives; provided, however, that, except for proceedings to enforce rights to indemnification, the Company shall not be obligated to indemnify any director or officer (or his or her heirs, executors or personal or legal representatives) in connection with a proceeding (or part thereof) initiated by such person unless such proceeding (or part thereof) was authorized or consented to by the board of directors of the Company.

No director shall be personally liable to the Company or any of its shareholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the BCA as the same exists or may hereafter be amended.

Item 16. Exhibits and Financial Statement Schedules.

A list of exhibits included as part of this registration statement is set forth in the Exhibit Index which immediately precedes such exhibits and is incorporated herein by reference.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(a) Under Rule 415 of the Securities Act,

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

provided, however, that paragraphs (a)(1)(i), (ii) and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by such registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) Not applicable
- (5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (6) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) The undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.
- (d) Not applicable.
- (e) Not applicable.
- (f) Not applicable.
- (g) Not applicable.
- (h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

- (i) The undersigned registrant hereby undertakes that:
 - (1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
 - (2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (j) Not applicable.
- (k) Not applicable.

We have further assumed for the purposes of this opinion, without investigation, that (i) all documents contemplated by the Prospectus to be executed in connection with the Offering have been duly authorized, executed and delivered by each of the parties thereto other than the Company, and (ii) the terms of the Offering comply in all respects with the terms, conditions and restrictions set forth in the Prospectus (and any applicable prospectus supplement thereto) and all of the instruments, agreements and other documents relating thereto or executed in connection therewith.

Based upon and subject to the foregoing, and having regard to such other legal considerations which we deem relevant, we are of the opinion that:

- 1 With respect to the Common Stock, including the shares of Common Stock issuable upon exercise of the Existing Warrants, when (i) specifically authorized for issuance by the Company's Board of Directors or an authorized committee thereof, (ii) the Registration Statement has become effective under the Securities Act of 1933, as amended, (iii) the terms of the sale of the Common Stock have been duly established in conformity with the Company's Articles of Incorporation and By-Laws and do not violate any applicable law or result in a default under or breach of any agreement or instrument binding the Company and comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company, (iv) the Common Stock has been issued and sold as contemplated by the Registration Statement and (v) the Company has received the consideration provided for in the applicable definitive purchase, underwriting or similar agreement, the Common Stock will be validly issued, fully paid and non-assessable.
- 2 The Secondary Shares have been duly authorized and validly issued and are fully paid and non-assessable.

- 3 With respect to the Preferred Stock, including shares of Preferred Stock duly issued upon due conversion, exchange or exercise of any Warrants or Rights or included in any Contracts or Units, when (i) specifically authorized for issuance by the Company's Board of Directors or an authorized committee thereof, (ii) the Registration Statement has become effective under the Securities Act of 1933, as amended, (iii) appropriate Certificate or Certificates of Designation relating to a class or series of the Preferred Stock to be sold under the Registration Statement have been duly authorized and adopted and filed with the Registrar of Corporations of the Marshall Islands, (iv) the terms of issuance and sale of shares of such class or series of Preferred Stock have been duly established in conformity with the Company's Articles of Incorporation and By-laws and do not violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company and comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company, (v) shares of such class or series of Preferred Stock have been duly issued and sold as contemplated by the Registration Statement, and (vi) the Company has received the consideration provided for in the applicable definitive purchase, underwriting or similar agreement, such Preferred Stock will be validly issued, fully paid, and non-assessable.
- 4 The Company is validly existing under the laws of the Marshall Islands and, with respect to the Existing Warrants and Warrants, has the power to create the obligations of the Company thereunder.
- 5 With respect to the Warrants offered by the Company pursuant to the Registration Statement, when the Board of Directors of the Company or a duly authorized committee thereof has adopted appropriate resolutions to approve the issuance, sale and terms of such Warrants and related matters in accordance with laws of the Marshall Islands and the Company's Articles of Incorporation and By-Laws, such Warrants will have been duly authorized by all necessary corporate action on the part of the Company, and with respect to the Existing Warrants offered by the Company pursuant to the Registration Statement, all acts and things have been done and performed, which are necessary to make the Existing Warrants valid, binding and legal obligations of the Company.

This opinion is limited to the law of the Marshall Islands as in effect on the date hereof.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement, and to each reference to us and the discussions of advice provided by us under the headings "Legal Matters" in the Prospectus, without admitting we are "experts" within the meaning of the Securities Act of 1933, as amended, or the rules and regulations of the Commission thereunder with respect to any part of the Registration Statement.

The Securities may be issued, sold and delivered from time to time under the Registration Statement, the Prospectus and one or more Prospectus Supplements pursuant to Rule 415 under the Act.

We have examined originals or certified copies of (a) the Registration Statement, (b) the Warrant Agreement filed as Exhibit 4.6 to the Registration Statement, (c) Debtor’s Prepackaged Plan of Reorganization pursuant to Chapter 11 of the Bankruptcy Code, dated August 6, 2014, (d) Findings of Fact, Conclusions of Law, and Order (I) Approving the Debtors’ (A) Disclosure Statement and (B) Solicitation of Votes and Solicitation Procedures and (II) Confirming the Debtor’s Prepackaged Plan of Reorganization pursuant to Chapter 11 of the Bankruptcy Code, dated September 22, 2014, (e) certain resolutions adopted by the board of directors of the Company, related to the registration of the Securities and related matters and (f) such other certificates and documents of officials of the Company, public officials and others as we have deemed appropriate for purposes of this letter, all of which we assume to be true, correct and complete. - (a) the Registration Statement and any amendments thereto (including any post-effective amendments) will have become effective under the Act and will remain effective and shall not have been terminated or rescinded through any offer and sale of Securities;
 - (b) for each type or series of Securities the Company and/or the Selling Shareholders offer by means of a Prospectus, the Company will have prepared and filed with the Commission under the Act a Prospectus Supplement which describes that type or series and, if Securities of another type or series are issuable on the conversion, exchange, redemption or exercise of the Securities being offered, which also describes that other type or series;
 - (c) the Company and/or the Selling Shareholders will have offered, issued and sold the Securities in the manner contemplated by the Registration Statement and the relevant Prospectus Supplements and otherwise in compliance with all applicable federal and state securities laws, and the terms of any such Securities will not violate any applicable law or result in a default or breach of any agreement binding upon the Company, and comply with any requirement or restriction imposed by any court or other governmental body having jurisdiction over it;
 - (d) in the case of Securities of any type which the Company issues and sells, the Board of Directors of the Company (or any authorized committee thereof (that board or any such committee being the "Board")) will have taken all corporate action necessary to authorize and approve the issuance of those Securities and the other Securities, if any, issuable on the conversion, exchange, redemption or exercise of those Securities, and approve the terms of the offering and sale of those Securities;
 - (e) the terms of the Securities and of their issuance and sale will have been established in conformity with and so as not to violate, or result in a default under or breach of, the Company's Third Amended and Restated Articles of Incorporation, including any amendments thereto, the Company's Second Amended and Restated By-Laws, including any amendments thereto, or other organizational documents of the Company or any applicable law or any agreement or instrument binding on the Company and so as to comply with any requirement or restriction imposed by any court or governmental or regulatory body having jurisdiction over the Company;
 - (f) the Company and the initial purchasers or underwriters of the Securities of any type will have duly authorized, executed and delivered a definitive purchase, underwriting or similar agreement relating to those Securities, which shall have been duly authorized, executed and delivered by the Company and the other parties thereto;
 - (g) in the case of any Securities issuable on the conversion, exchange, redemption or exercise of other Securities, those Securities will be available for issuance on that conversion, exchange, redemption or exercise;
